

Furioso Vineyards

Furioso Vineyards was founded in 2014 by our proprietor, Giorgio Furioso. Our Dundee Estate vineyard, previously known as the “Juliard Vineyard,” was established in 1972 and is well-known for producing grapes of remarkable quality. Renamed in 2015 as the “Furioso Vineyard,” we focus intensely on organic farming and viticulture, so we can ensure and maintain the highest quality, from the first leaf through to harvest and beyond. Coming online with the 2018 harvest, our “Trovato Vineyard” in the Yamhill-Carlton AVA will add 23 acres to our production, to include Pinot noir, Chardonnay, and just under an acre of Tocai Friulano.

2015 La Linea Furioso

Current plantings on our Dundee Hills estate date back to 1989. Blocks 1, 2, 3, 4, and 6 are Pinot noir. Overall, these blocks contain 80% own-rooted Pommard, 15% Dijon 115, and the balance a smattering of Dijon 113 & 114. In 2015, we hired Dominique Mahé to be Furioso Vineyard's Winemaker starting with this vintage. Dominique continues the practices of a “light hand” so you may taste the true terroir of our Dundee Estate: mild extraction, un-fined, unfiltered, and natural fermentation wine. The wine was then aged in French oak barrels, 45% of them new, for 10 months.

La Linea 2015 has an inviting translucent ruby color. Complex aromatically, the wine offers a vibrant bouquet of blood orange, nutmeg, and cranberry, with underlying notes of cinnamon and rose petal. On the palate, these aromas are complemented by flavors of strawberry and an ephemeral hint of licorice. Although young, this wine has delicate tannins and a high level of structural refinement. This elegantly finesse-driven wine will continue to improve in your cellar for the next 8 to 10 years.
