

Furioso Vineyards Company Overview

Furioso Vineyards was founded in 2014 by our proprietor, Giorgio Furioso. Our Dundee Estate vineyard, previously known as the “Juliard Vineyard,” was established in 1972 and is highly acclaimed by many local winemakers for producing grapes of remarkable quality. Renamed in 2015 as the “Furioso Vineyard,” we focus intensely on organic farming and viticulture so we can ensure and maintain the highest quality, from the first leaf through to harvest and beyond. Coming online with the 2018 harvest, our “Trovato Vineyard” in the Yamhill-Carlton AVA, will add 22 acres to our production, to include Pinot noir, Chardonnay, and just under an acre of Tocai Friulano.

2016 La Linea Furioso

Current plantings on our Dundee Hills estate date back to 1989. Blocks 1, 2, 3, 4, and 6 are Pinot noir. Overall, these blocks contain 80% own-rooted Pommard, 15% Dijon 115, and the balance a smattering of Dijon 113 & 114 clones. In August 2015, Dominique Mahé was hired as Furioso Vineyards’ Winemaker. Dominique embraces the practices of a “light hand” so you may taste the true terroir of our Dundee Estate: mild extraction, unfinned, unfiltered, and natural fermentation wine. The wine was then aged in French oak barrels, 25% of them new, for 10 months. Our **2016 La Linea** shows a high level of concentration thanks to the small berry size that vintage. Loaded with blue fruit notes, the luscious mouthfeel is balanced by well-controlled alcohol and an edgy acidity. This wine will benefit from being decanted in its youth.
