TOCAI FRIULANO

Trovato Vineyard, Yamhill-Carlton AVA

Fans of our Friulano, the wait is finally over! The 2020 vintage marks our third release of this unique wine varietal, which sold out in three months last year. Originally from France, it eventually found its traditional home in Northeast Italy. We planted Friulano vines at our Trovato Vineyard in 2015 and it has been one of our wine club Famiglia members' favorites since its first vintage in 2018. Our dry, low-alcohol, and restrained acidity Friulano will entice you with its distinctive aromatics of peach and white flower and fleeting notes of licorice. In the mouth, the wine offers a velvety structure with a round and mellow mouthfeel. Our 2020 Friulano will pair well with sushi or even a cheese soufflé.
Drink now through 2023.
