Wadenswil Pinot Noir

Yamhill-Carlton AVA Willamette Valley, Oregon

Vintage:

This year saw a growing season cooler on average than what the last few years had us accustomed to, bringing a total heat accumulation similar to 2005, one of my favorite Willamette Valley vintages. Regrettably, precipitation, which was fairly moderate prior to harvest, increased by mid-September especially at our estate vineyard in Dundee. The decision to harvest had to be hastened, as Botrytis was showing its ugly head. A slow and painstaking sorting process in the vineyard and winery allowed us to only keep the most pristine clusters. Our quest for quality affected yield, resulting in 20% less wine from our old Dundee vines that year. The silver lining is that our Trovato vineyard in Yamhill was not hit as hard by the rains, which means there will still be plenty of Furioso wines to go around. Looking back, we think the decision to harvest earlier was the right one, as we avoided catastrophe, not only from the rain but also from the migratory birds which came earlier that year and devastated some vineyards in Oregon. Altogether, this will be a vintage to cellar for Pinot Noir as the wine, tight and austere in its youth, will need a few years in the bottle to fully express itself.

Tasting Notes:

Our two acre block of one of the original Pinot Noir clones planted in the Willamette Valley produces a generous wine of remarkable complexity! This 2019 Wadenswil is the inaugural offering of this single-clone bottling. Filling your glass with mixed berries (blueberry, cranberry, black currant) and perfumed notes of citrus black tea. The fruit here is lush and juicy, balanced by intriguing aromas of red apple skin and graphite. In the mouth you'll find more juicy, mixed-berry flavors, moderate acidity, silky tannins, and a lifted finish.
